THE RECTIFIERS TAX.

The following is the act over which such a hot fight was waged by the rectifiers and straight whisky men, and is the act as finally passed by the called session of the Legislature:

An act relating to revenue and taxation, providing for license taxes on compounded, rectified, adulterated or blended distilled spirits, known and designated as single stamp spirits, and providing penalties for violations of its provisions.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. Every corporation, association, company, co-partnership or individual engaged in this State in the business or occupation of compounding, rectifying, adulterating or blending distilled spirits, known and designated as single stamp spirits, shall pay to the Commonwealth of Kentucky a license tax of one and one-fourth cent upon every wine gallon of such compounded, rectified, blended or adulterated distilled spirits.

Sec. 2. It shall be the duty of each corporation, association, company, co-partnership or individual engaged in this State in the business or occupation of compounding, rectifying, adulterating or blending distilled spirits, known and designated as single stamp spirits, to make and deliver to the Auditor of Public Accounts, on the 30th day of June, 1906 (or within ten days thereafter), and at the end of each six months thereafter, a report sworn to, stating his name, place of business and the number of wine gallons, of compounded, rectified, adulterated or blended distilled spirits, known and designated as single stamp spirits, made during the six months then ended, and at the same time pay into the

State Treasury, through the Auditor, the amount of taxes due the State, as herein provided, imposed by the last preceding section.

Sec. 3. Before any corporation, association, company, co-partnership or individual shall engage in the business or occupation of compounding, rectifying, adulterating or blending, in this State, he shall notify the Auditor of Public Accounts of his intention to engage in such business or occupation.

The notice shall contain the name and place of residence of such corporation, association, company, co-partnership or individual and the approximate number of wine gallons of such compounded, rectified, adulterated or blended spirits the applicant contemplates making prior to the first date at which he is required to report the number of gallons made to the Auditor of Public Accounts under this act.

Sec. 4. Upon receipt of such notice by the Auditor of Public Accounts, he shall issue to such applicant a certificate, showing that he has complied with this act. Any corporation, association, company, co-partnership or individual, who shall engage in the business of compounding, rectifying, adulterating or blending distilled spirits, known and designated as single stamp spirits, without first receiving said certificate herein provided for from the Auditor of Public Accounts, shall be guilty of a misdemeanor and subject to indictment in the Franklin Circuit Court and fined any sum not less than five hundred dollars nor more than two thousand dollars.

Sec. 5. Upon the payment of the license tax to the Treasurer, through the Auditor of Public Accounts, as provided in this article, the Auditor of Public Accounts shall issue to such corporation, association, company, co-partnership or individual, authority to continue in the business or occupation of compounding, rectifying, adulterating or blending

distilled spirits known and designated as single stamp spirits, if such authority is desired, for six months or until the date provided in this article when reports are to be made.

Sec. 6. Any compounder, rectifier, adulterator or blender liable for the taxes imposed by this act, or embraced by its provisions, who shall fail or refuse to make and deliver to the Auditor of Public Accounts a sworn report, and pay the license tax as required by this act, shall be deemed guilty of a misdemeanor, and upon conviction, shall be fined not less than fifty nor more than one hundred dollars for each day of such failure or refusal, to be recovered by indictment in the Franklin Circuit Court, and shall forfeit his right to engage in said business in this State.

Sec. 7. Any corporation, association, company, co-partnership or individual who shall ship any compounded, rectified, blended or adulterated distilled spirits, known and designated as single stamp spirits, into this State for the purpose of labeling, branding, marking or stamping the same as Kentucky whisky, product or spirit, or which shall have been or may thereafter be labeled, branded, marked or stamped as Kentucky whisky, product or spirits, shall be deemed compounders, rectifiers, blenders or adulterators under the provisions of this act and shall pay the license tax imposed herein on like product compounded, rectified, blended or adulterated in this State, and shall make the report required herein to the Auditor of Public Accounts.

Any corporation, association, company, co-partnership or individual, who shall violate this provision of this act shall be deemed guilty of a misdemeanor and fined in any sum not less than five hundred nor more than one thousand dollars. Each shipment shall be deemed a separate offense. The Franklin Circuit Court shall have jurisdiction of all offenses committed under this provision of this act.

Sec. 8. All laws or parts of laws in conflict with this act are hereby repealed.

Dr. Wood's Syrup and Cerate. Success in treatment for blood and skin diseases.

THEY NEVER FAIL.

That is What They Say About Them in Frankfort, and it is Therefore, Reliable.

Another proof, more evidence, Frankfort testimony to swell the long list of local people who endorse the old Quaker remedy, Doan's Kidney Pills. Read this convincing endorsement of that remarkable preparation:

Mrs. Amanda Dean, of 18 Taylor Avenue, wife of J. T. Dean, boatman, says: "While I did not personally use Doan's Kidney Pills I can highly recommend them for the great relief they afforded my eldest daughter, who has always suffered more or less from a weak back ever since a child. On account of this condition it was almost impossible for her at times to lift anything. Accompanying this there was a difficulty with the kidneys which was very annoying and distressing. I learned about Doan's Kidney Pills and procured them for her at J. W. Gayle's drug store. She took them as directed and they helped her in every way. Her back felt very much better and stronger and the difficulty with the kidney secretions was much improved. My youngest daughter complained a great deal of her back hurting her too. I gave her Doan's Kidney Pills and the result in her case, as well, were most satisfactory."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.

GOOD APPOINTMENT.

Hon. Henry George has been appointed Superintendent of the Confederate Soldiers' Home, at Powee Valley, to succeed Mr. W. O. Coleman, resigned.

Senator George is a man of ability and integrity, and will make a good official.

THE BREATH OF LIFE.

It's a significant fact that the strongest animal of its size, the gorilla, also has the largest lungs. Powerful lungs means powerful creatures. How to keep the breathing organs right should be man's chiefest study. Like thousands of others, Mrs. Ora A. Stevens, of Port Williams, O., has learned how to do this. She writes: "Three bottles of Dr. King's New Discovery stopped my cough of two years and cured me of what my friends thought consumption. O. It's grand for throat and lung troubles." Guaranteed by all druggists. Price 50c and \$1.00. Trial bottle free.

MANDATE ARRIVES.

The mandate of the U. S. Supreme Court refusing to take jurisdiction in the case of James B. Howard, accused of the assassination of Senator Goebel, was received by the Clerk of the Court of Appeals on Tuesday. It was formally filed on Thursday.

Dr. Wood's Norway Pine Syrup seems especially adapted to the need of the children. Pleasant to take; soothing in its influence. It is the remedy of all remedies for every form of throat and lung disease.

BUYS NICE HOME.

Mr. W. S. Rossen has purchased from Mr. J. C. Hubbard, his cozy cottage home, on Holmes street, for \$2,300. Mr. Hubbard has moved into the Herndon property, corner of Steele and Second streets.

BUSINESS MEN ENJOYED HIS ADDRESSES.

The Rev. Richard L. McCready, who has, by his eloquence, created a profound impression among the business men attending the noon meetings at the Board of Trade, is the rector of St. Mark's Episcopal mission, a church situated in Crescent Hill. Dr. McCready, who is nearly related to Senator W. H. Cox, is a Kentuckian, and counts Louisville his home. For several years he was rector of a church in Cincinnati, but resigned during 1905, and came to Louisville. The little mission of St. Mark's was in sad need of a rector, a man of ability who could be counted upon to build up a struggling cause. Dr. McCready

was induced to undertake the work, and his connection with the congregation has been of the greatest value. He has won the admiration and love of the people, and laid deeply the foundations for a strong work in that neighborhood.

Dr. McCready personally is a man of great charm. He is yet on the hither side of forty, and his scholarship combined with exceptional pulpit and executive ability, promise a brilliant future if he cares to seek it. His friends say he is too modest and retiring, but they confidently expect to see him one day wearing the official robes of a Bishop—Louisville Herald, March 26.

"TEXAS SWEETHEARTS" A PLEASURE TO LOVERS OF MELODRAMA.

The Burlington Free Press, Wednesday, May 31, 1905, says: If the amount of pleasure received from a play speaks for itself success or failure, "Texas Sweethearts," as played last evening in The Strong, was largely acceptable. The audience followed every action from the curtain's rise to its last fall with attentive-ness, showing its appreciation by frequent and hearty applause. The play was one to delight the hearts of all, dealing with love and intrigue on a Texas ranch. Its plot led Pearl Lewis, as "Texas," the owner of the ranch, through the scheming of her covetous ranch foreman, into a den, where she was in the power of the schemer. Alan Villair, as her lover, happened around and was himself bound and made helpless, but cleverly burning himself free from his thongs by his lighted cigars he set the house wild by escaping from the den with "Texas." This was only one of the many strong situations in which the play abounds, the last act being exceptionally interesting, ending in the villain being killed in the most realistic duel ever presented on the local stage, and the prospective marriage of

"Texas" and her lover, "Jack." Pleasing specialties were also introduced and the scenery was good. Coming for one night only at the Capital Theatre, Monday, April 2. Seats now selling.

Don't frown—look pleasant. If you are suffering from indigestion or sour stomach, take Kodol Dyspepsia Cure. Hon. Jake Moore, of Atlanta, Ga., says: "I suffered more than 20 years with indigestion. A friend recommended Kodol. It relieved me in one day and I now enjoy better health than for many years." Kodol digests what you eat, relieves sour stomach, gas on stomach, belching, etc. Kodol strengthens the digestive organs, sweetens the stomach, and enables you to eat, digest, assimilate and enjoy whatever you like. A BIG SUCCESS.

So far the interurban line from Lexington to Versailles has proved a big success. The cars, both going and coming, have been uncomfortably full. So it will be when the line is built from this city to Versailles.

THE PACIFIC COAST.

Timely Hints to Portland Tourists Seeking Reliable Information.

If you contemplate a trip to the Pacific Coast or Puget sound country during the period of low rates to Portland and California points, you should realize the value of a few suggestions of how best to see most without extra cost, including Banff, the Beautiful in the Canadian Rockies; a sea trip from Victoria and Vancouver to the Exposition City; America's virgin play ground, Yellowstone Park; Mount Hood or Mount Shasta; the Mormon capitol, Salt Lake City, and its great dead sea; the mines and mountains of Colorado; the sublime Grand Canyon that no brush has ever copied, and to see and reach all by the most comfortable and luxurious means of travel, it would pay you to confer with a Monon Route Agent while in Louisville, for his office is literally stacked with beautiful illustrated literature on the subject, and all information will be cheerfully and intelligently furnished. Long distance telephone talks may help you. Both phones, 1181. Address E. H. Bacon, D. P. A., Monon Route, Louisville, Ky.

ROBBED IN LOUISVILLE.

Representative H. H. Griffin, of Allen county, stopped over in Louisville, on Tuesday night, to see his sister, who lives in that city. As he was going to his hotel, about 9 o'clock that night, he was held up, at the mouth of an alley, and robbed of \$400, his per diem and mileage as a Representative. It was on a populous street, too.

DON'T GET THE HABIT.

Indigestion is much of a habit. Don't get the habit. Take a little Kodol Dyspepsia Cure after eating, and you will quit belching, puffing, palpitations and throwing. Kodol digests what you eat and makes the stomach sweet. Kodol is a thorough digestant and will afford relief from any disorder due to imperfect digestion or mal-assimilation of food. Sold by J. W. Gayle.

INDIGESTION'S RECORD.

*The best remedy I can prescribe for your indigestion, is Green's August Flower. I know of several other physicians who prescribe it regularly.

Indigestion is making an awful record, as a cause of sudden deaths. It is beating heart-failure in its ghastly harvest. You read in the papers daily of apparently healthy and robust men being suddenly attacked with acute indigestion after enjoying a hearty meal, and of their dying in many cases before a physician could be called in. This should be a warning to you who suffer with regular or periodical attacks of indigestion. If these unfortunate victims of acute indigestion had taken a small dose of Green's August Flower before or after their meals they would not have fallen a prey to such sudden seizures. August Flower prevents indigestion by creating good digestion. It also regulates the liver, purifies the blood and tones up the entire system in a natural way. Two sizes, 25c and 75c. All druggists. For sale by J. W. Gayle.

For Thin Babies

Fat is of great account to a baby; that is why babies are fat. If your baby is scrawny, Scott's Emulsion is what he wants. The healthy baby stores as fat what it does not need immediately for bone and muscle. Fat babies are happy; they do not cry; they are rich; their fat is laid up for time of need. They are happy because they are comfortable. The fat surrounds their little nerves and cushions them. When they are scrawny those nerves are hurt at every ungentle touch. They delight in Scott's Emulsion. It is as sweet as wholesome to them.

Mental

Strain Affected General Health.

Doctor's Doses Weakened Stomach.

Dr. Miles' Nervine Cured Me.

Dr. Miles' Restorative Nervine brings rest and sweet sleep to the tired brain worn out with the cares and anxieties of the sick room. Read the following:

"I have always been healthy with the exception of a touch of rheumatism since my a. c. came on, up to the time of my husband's last illness some years ago. I assisted in nursing my husband for nearly three months when he departed this life and the mental strain I think caused my trouble. Aside from extreme nervousness my trouble consisted with sore throat and neuralgia. My physician gave me purgative doses which weakened me very much and my stomach for a time seemed inactive. Mental strain and the dormant condition of my stomach soon told upon my general health. I had little appetite and was soon forced to stay in bed a greater part of the time. Within a week after the time I began taking Dr. Miles' Restorative Nervine and Tonic I was up about the house. I continued their use until completely cured. My faith in Dr. Miles' Remedies has been strengthened by experience of other people, our daughter having used Restorative Nervine with splendid results in a case of paralysis and a friend to whom I sent a box of the Anti-Pain Pills reports that she has been completely cured of neuralgia by their use. I know of a number of others whom your medicine has helped in a large degree. I wish you continued success."

LEXINGTON AND VERSAILLES INTER-URBAN LINE.

The new interurban line from Lexington to Versailles was formally opened for business on Monday morning, when a car full of people left Lexington to attend court day in Versailles.

This gives us additional hope that the Frankfort and Versailles line will be built this spring and summer. It will be a paying investment from the start.

DAGOES WILL HAVE TO "PONY UP."

OF INTEREST TO RELATIVES HERE.

We take the following clipping from a Cincinnati paper of recent date. Major E. W. Hawkins is the only remaining uncle of Miss Mildred Hawkins, of this county (he being a brother of the late Dr. J. Russell Hawkins):

Maj. E. W. Hawkins, not only the oldest practicing attorney in Kentucky, but the oldest resident of Newport, was the recipient Tuesday of a letter which has connected with it a remarkable history. The Major, who is now 92 years of age and continues to practice law, when a youth of 20 was traveling on horseback over the mountains from the old home in Virginia to reach Port William, now Carrollton, at the mouth of the Kentucky river, and stopped off at a wayside tavern near White Sulphur Springs. Here another youth, en route for the south, also stopped over night. The following morning both left for Guyandotte, on the Ohio river, where they disposed of their horses, and boarded the first boat either had ever seen. They became companions while en route, and upon reaching Port William, the young man, whose name was Edmund Hawkins Martin, continued on to New Orleans.

This was 72 years ago and no word of the whereabouts of his new-made friend had ever reached him until to-day. In search of data in aid of the bill to be presented to Congress for damages to property during the Revolutionary war, the major has written to every Hawkins of Virginia that he could possibly locate. One of the letters came into possession of Dr. Joseph Martin, a prominent surgeon of New Orleans, and grandson of Edmund Hawkins Martin, who writes interestingly of the major's old friend, who died about two years ago. Information contained in the letter is of the greatest value to Mr. Hawkins in the preparation of his petition. A near relative, who was a brigadier general in the war of 1812, contributed his vast fortune to aid the American cause, leaving his family almost penniless. The bill, which is in the hands of Senator Foraker, petitions Congress for \$50,000 as a part recompense for the loss sustained by family and relatives. In securing data many letters of interest coming from revolutionary stock in Old Virginia reached Maj. Hawkins. He remembers distinctly "Old 75," which was the name of the boat which carried them from Guyandotte to Port William.

TURKEY THIEF.

A man by the name of John Wilbur, who has been living near Jetts Station, went to the residence of Mr. L. C. Stafford, on Friday night, and caught a big turkey, killed it and took it home. In the excitement he forgot that the snow was on the ground. Saturday morning Mr. Stafford and Mr. Hugh Cromwell tracked him to his home and arrested him. He acknowledged his guilt, but claimed to be sick and asked the gentlemen not to make him come out in the bad weather. But these gentlemen brought him to town and lodged him in jail.

The good people of the neighborhood have been missing fowls for some time, and think that they have the right party now. The offense is punishable by confinement in the prison.

The turkey weighed about 35 pounds. Later—Wilbur was held over to the April grand jury.

ADOPTS CONFERENCE REPORT AND ADJOURNS.

After a stiff fight of two weeks over the tax on rectifiers, the Legislature adopted the report of the conference committee, assessing a gallon tax of one and one-fourth cents upon each wine gallon produced, on Monday, and adjourned sine die at 6 o'clock that afternoon.

Now we will see whether these gentlemen (who made such loud protest against assessment of that tax, declaring that it would ruin their business, and threatening to leave the State, if it was imposed) will carry out their threat. The sum fixed is so little less than that contended for by the straight whisky men that surely it will enable them to pay it and still do business, that is, if their assertions were true—which they were not.

ACCIDENTALLY HURT.

While at work at the American Creosote Works, New Orleans, La., Mr. E. Church Tinsley was so unfortunate as to be struck by a cable (which broke as he was passing) in the stomach, knocking him senseless and bruising and lacerating his body and arms.

Surgical attention was at once rendered and Mr. Tinsley was doing as well as could be expected.

NEW TRAINS ON SOUTHERN RAILWAY.

Effective Sunday, February 26th, the Southern Railway will place in service two additional trains in each direction between Danville and Lawrenceburg. These trains will leave Danville at 7:30 a. m. and 2:30 p. m., connecting at Lawrenceburg with trains arriving Louisville at 10:40 a. m. and 6:15 p. m., respectively. In the return direction, trains will arrive at Danville at 1:10 a. m. and 7:10 p. m., connecting at Lawrenceburg with trains leaving Louisville at 6:10 a. m. and 3:30 p. m., respectively.

The inauguration of these trains will enable the people of Danville, Harrodsburg and other stations on the Danville Branch to leave their homes at a convenient hour in the morning and arriving at Louisville at 10:40 a. m. and they can then do their shopping and leave Louisville at 3:30 p. m., arriving Harrodsburg at 4:37 p. m., Danville at 7:10 p. m. and other stations correspondingly earlier. The new trains will be accommodated trains, making all local stops. The train arriving at Danville at 10:10 a. m. will connect with Q. & C. train No. 5 for all local stations on Q. & C. Route south of Danville.

These local trains will be in addition to the present through trains, which are now being operated between Lawrenceburg and Danville, and should prove a great convenience to the traveling public. Train No. 1 will leave Louisville at 7:50 a. m. instead of 8 a. m. and will reach Danville at 10:55 a. m., connecting with Q. & C. Route train No. 5, also with train No. 1, "The Florida Limited," for Florida and all points south.

Train No. 23, carrying observation sleeper, which is operated through without change from Louisville to Jacksonville and St. Augustine, Fla., in connection with "The Chicago & Florida Special" from Danville, will continue to leave Louisville at 7:45 p. m.

This New Train Service should prove of great convenience to people of Danville, Harrodsburg and other points, as it will enable them to do their shopping in Louisville and return home the same day and it is thought that this will have the effect of causing shoppers to go to Louisville instead of Cincinnati and other points.

Bad Stomach Makes Bad Blood.

You can not make sweet butter in a foul, unclean churn. The stomach serves as a churn in which to agitate, work up and disintegrate our food as it is being digested. If it be weak, sluggish and foul the result will be torpid, sluggish liver and bad, impure blood.

The ingredients of Dr. Pierce's Golden Medical Discovery are just such as best serve to correct and cure all such derangements. It is made up without a drop of alcohol in its composition; chemically pure, triple-refined glycerine being used instead of the commonly employed alcohol. Now this glycerine is of itself a valuable medicine, instead of a deleterious agent like alcohol, especially in the cure of weak stomach, dyspepsia and the various forms of indigestion. Prof. Finley Ellingwood, M. D., of Bennett Medical College, Chicago, says of it:

"In dyspepsia it serves an excellent purpose. It is one of the best manufactured products of the present time in its action upon feeble, disordered stomachs; especially if there is ulceration or catarrhs of the stomach, or inflammation of the stomach. It is a most efficient preparation. Glycerine will relieve many cases of pyrosis (heartburn) and excessive gastric acidity. It is useful in chronic intestinal dyspepsia, especially the flatulent variety, and in certain forms of chronic constipation, stimulating the secretory and excretory functions of the intestinal glands."

When combined, in just the right proportions, with Golden Seal root, Stone root, Black Cherrybark, Queen's root, Bloodroot and Mandrake root, or the extracts of these, as in Dr. Pierce's Golden Medical Discovery, there can be no doubt of its great efficacy in the cure of all stomach, liver and intestinal disorders and derangements. These several ingredients have the strongest endorsement in all such cases of such eminent medical leaders as Prof. R. Bartholow, M. D., of Jefferson Medical College, Chicago; Prof. Robert A. Hare, M. D., of Medical Department, University of St. Louis; Prof. Leonard D. Medical Department, University of New York; Prof. Edwin M. Hale, M. D., of Hahnemann Medical College, Chicago; Prof. John M. Scudder, M. D., and Prof. John King, M. D., Authors of the American Dispensatory, and scores of others among the leading medical men of our land. Who can doubt the curative virtues of a medicine the ingredients of which have such a professional endorsement?

Constipation cured by Doctor Pierce's Pleasant Pellets. One or two a dose.

WILD GEESSE AND WILD DUCKS.

On Monday night, while the rain was coming down in torrents, a flock of wild geese, who were flying over the city, became bewildered by the electric lights, and some of them alighted on the South Side, and remained until the lights went out, just about daylight. They "honk-honked" pretty lively for a while.

There have also been a great many wild ducks on the creeks and river lately, affording nice sport for hunters.

FRANKLIN COUNTY'S NEXT REPRESENTATIVE.

Editor Roundabout:
Franklin county will have many and important interests at will claim the attention of the next General Assembly, and the people, who are really interested in the welfare of the city and county, should carefully consider before committing themselves, as to the person who shall represent them in that body.

It will be conceded by every one familiar with the legislation of the last four years, and especially that legislation, directly affecting the interests of the city of Frankfort, that Col. E. H. Taylor was an important factor, and that the appropriations made by the Legislature for the building of a new capitol were due, almost entirely, to his efforts, and to the influence he wielded in both branches of the General Assembly.

While it is true that the appropriations have been made, contracts let, and the buildings are in course of construction, the people should know that many perplexing and important details of construction will claim the attention of the incoming Legislature, and that it is more important now, than at any time in the history of the county, that we should have an efficient and influential member to take care of and watch our interests.

It is not known whether Col. Taylor would again consent to stand as a candidate. Every citizen of Frankfort knows his large business interests, and how much he has sacrificed in the past for the city and county, and how much he would sacrifice if he would again consent to be our Representative. But his many friends, knowing his love for Frankfort and her good people, are desirous that he should make the sacrifice and announce his candidacy. Will he consent?

A NOTABLE ATTRACTION.

"Before and After" Comes to Capital Theatre Wednesday, April 4.

A night of laughter unconfined is to be inaugurated at the Capital Theatre, Wednesday, April 4, when local theatregoers will be entertained there by that greatest laughing success of the present New York season, Leo Dietrichstein's latest and seemingly greatest farce hit, "Before and After," which comes here almost direct from its four months' triumph run at Mrs. Fiske's Manhattan Theatre in the metropolis.

From all accounts this jolly play is the cleverest and most novel of all the mirth-provoking plays that have been given to the American stage by this author of "All on Account of Eliza," "Vivian's Pappas," "Harriet's Honey-moon," and "Are You a Mason?" It is said to be, in spite of its ludicrous plot, a clean-cut and high-class farce full of logically convincing situations and unique character comedy; and Manager Robert Hunter is said to have given it such a notably fashionable setting, well-gowned and dressed, that it bids fair to be the best type of true modern farce that it is claimed to be. It is certainly interpreted by an unusually well-balanced and expert cast of well-known and delightful farceurs, the brilliant coterie of players, embracing such favorites as Fritz Williams, Geo. C. Boniface, Jr., Leo Dietrichstein himself, Katherine Florence, Georgie Lawrence, Kylene Bishop, Minette Barrett, Jean Newcombe, John Flood and John Daly Murphy.

The frankly nonsensical plot of this hilarious offering concerns the mysterious and marvelous joy-producing properties of a new Elixir of Happiness which has
